3SCTS 2022

The inaugural Tri-Society Cardiac & Thoracic Symposium (3SCTS)

A meeting of Cardiac & Thoracic Surgeons, Anaesthetists and Perfusionists of Australia & New Zealand - In conjunction with the ISMICS 2022 Workshop

Wednesday 16 – Saturday 19 November 2022

Cairns Convention Centre, Cairns, Queensland, Australia

Platinum Sponsor:

Medtronic

In conjunction with:

Australian and New Zealand College of Perfusionists (ANZCP) and
Australian & New Zealand Society of Cardiac & Thoracic Surgeons (ANZSCTS) and
Cardiac Thoracic Vascular Perfusion Special Interest Group (CTVP SIG - ACE)

Symposium Supporter:

ELLINJAA FALLS, CAIRNS & GREAT BARRIER REEF

QUEENSLAND IS GOOD TO GO

Pack your bags and explore some of nature's best, all within a short drive of Cairns and Great Barrier Reef. Be immersed in stories from ancient Indigenous cultures in the heart of the Daintree Rainforest. Strap on your snorkel and explore the kaleidoscope of colours of the Great Barrier Reef. Feel the mist of a waterfall (or two) when you take a hike to a natural swimming spot. Grab your keys and experience the road trip of a lifetime. We can't wait to show you around.

INVITATION

In view of the recent events across Australia, and the growing Covid situation, the inaugural Tri-Society Cardiac & Thoracic Symposium (3SCTS) will be postponed to the 16 - 19 November 2022, from the previously changed date of March 2022. It is the view of the 3SCTS Organising Committee that if the Symposium is held in March 2022, it would still be very vulnerable to border closures, lockdowns, and a general lack of confidence from participants to travel to Cairns, despite vaccination targets having been met.

It is our view that the 6 months after Australia 'opens up' in first half of 2022 will be a very unpredictable time for interstate and Trans-Tasman travel.

The over-arching aim of this meeting is to hold it in person to increase collaboration and collegiality amongst the three societies. The Organising Committee are confident the Symposium can be held successfully in November 2022.

On behalf of the organising committee, it is our great pleasure to invite you to attend the inaugural Tri-Society Cardiac & Thoracic Symposium (3SCTS) "Back to the Future: Lessons from the Past, Prospects for the Future", which will be held at the Cairns Convention Centre, Queensland, Australia, from 16 - 19 November 2022.

This will be a combined scientific meeting of three societies: the Australian and New Zealand Society of Cardiac & Thoracic Surgeons (ANZSCTS), the Cardiac Thoracic Vascular Perfusion Special Interest Group (CTVP SIG – ACE), and the Australian and New Zealand College of Perfusionists (ANZCP). In 2022 our Symposium will be held in conjunction with the International Society for Minimally Invasive Cardiothoracic Surgery 2022 (ISMICS) Workshop.

Our patients present with increasingly complex problems that require fully integrated team care involving many disciplines, including surgeons, anaesthetists, and perfusionists. The need for scientific understanding to support our practice continues to grow and innovative procedural solutions are part of our daily work.

This Symposium will aim to bring these specialty disciplines together to improve care of our patients in 2022 and beyond.

A distinguished international and local faculty will be actively involved in all aspects of the program including:

- Lectures
- Multi-disciplinary panel discussions
- Workshops
- Simulations
- Hands-on wetlabs

The scientific program will be diverse and cater for all interests across the entire spectrum of contemporary Cardiothoracic practice.

The 3SCTS 2022 will, for the first time, provide everyone involved in the management and treatment of cardiac and thoracic patients the opportunity to come together. 3SCTS 2022 will be an excellent forum for the exchange of views, shared experiences and the latest scientific knowledge; enriching collaboration between surgeons, anaesthetists, perfusionists, and industry as well as providing opportunities for networking and the building of relationships internationally.

The Symposium is being held in Cairns – the gateway to the Great Barrier Reef and the World Heritage listed Daintree Rainforest. It is an ideal base to explore the natural beauty, islands and beaches of Tropical North Queensland.

We look forward to your participation in a successful Symposium. We look forward to seeing old friends and making new ones.

On behalf of the 3SCTS 2022 Organising Committee

Jayme Bennetts

AUSTRALIAN AND NEW ZEALAND COLLEGE OF PERFUSIONISTS (ANZCP)

The Australian and New Zealand College of Perfusionists (ANZCP) is the peak body representing Certified Perfusionists in Australia and New Zealand. It is a not-for-profit, member association committed to professionally supporting its members through serving as a regulatory body to promote and uphold standards, providing high quality education, training and on-going professional development. The ANZCP is a collaborative and inclusive College that aims to further the industry of perfusion, both nationally and internationally.

AUSTRALIAN AND NEW ZEALAND SOCIETY OF CARDIAC AND THORACIC SURGEONS (ANZSCTS)

The Australian and New Zealand Society of Cardiac and Thoracic Surgeons was formed to serve the medicopolitical needs of cardiothoracic surgeons in Australia and New Zealand. It has amalgamated with the Division of Cardiothoracic Surgery of the RACS. The Society plays an important role in the development of Cardiac Surgery services in Australia. The Society in conjunction with the Cardiac Society maintains the Journal, Heart Lung and Circulation.

CARDIAC THORACIC VASCULAR PERFUSION SPECIAL INTEREST GROUP (CTVP SIG)

The CTVP SIG is managed by the Anaesthesia Continuing Education (ACE) partnership, a tripartite body governed by the Australian & New Zealand College of Anaesthetists (ANZCA), the Australian Society of Anaesthetists (ASA), and the New Zealand Society of Anaesthetists (NZSA). ACE promotes and co-ordinates combined continuing medical education activities in anaesthesia and related disciplines. It manages 17 SIGs that allow anaesthetists and other medical specialists to study, report and develop educational events in specific areas of anaesthesia in which they have an interest or skills. ANZCA is the secretariat for the CTVP SIG and one of the largest specialist medical colleges in Australia and New Zealand. The college is the region's foremost authority on anaesthesia, pain medicine and perioperative medicine.

INTERNATIONAL SOCIETY FOR MINIMALLY INVASIVE CARDIOTHORACIC SURGERY (ISMICS)

The International Society for Minimally Invasive Cardiothoracic Surgery was formed to organize and centralize the various surgical centers concerned with patient outcomes, techniques, and progressive development of less invasive forms of heart surgery. Formed on May 31, 1997 by the participants of the World Congress of Minimally Invasive Cardiac Surgery at the Palais Des Congres, Paris France, the new ISMICS is taking the leadership role in shaping the direction of less invasive cardiac surgery on a global basis. The founding membership includes representatives from all continents.

DATES AND VENUE

The Inaugural Tri-Society Cardiac & Thoracic Symposium (3SCTS) will be held from Wednesday 16 - Saturday 19 November 2022 at the Cairns Convention Centre, Sheridan St & Wharf St, Cairns City, Queensland, Australia, 4870.

For further venue information, please visit https://www.cairnsconvention.com.au/

Epic™ Mitral
Stented Tissue Valve

EPIC™ MITRAL

MINIMAL **CURTAINING**

Curtaining is a characteristic of bioprosthetic valves in which the leaflets, when opened, stand tall or form a "curtain" between stent posts.[1a]

Epic™ Mitral leaflets are not prone to curtaining, mitigating left ventricular outflow tract (LVOT) obstruction[2].

25 mm Epic™ Mitral (left) and Magna Mitral Ease‡ (right) with representative rods inserted

VENTRICULAR **PROTRUSION***

A low overall ventricular protrusion can result in greater neo-LVOT area.[2]

	Epic™ Mitral[3]	C-E PERIMOUNT Magna Mitral Ease‡[4]
	9 mm	10.5 mm

> In the bench test, we observed that the pericardial leaflets stand tall unlike the porcine leaflets which crumple. This will result in a greater degree of LVOT obstruction with pericardial leaflets. —*Bapat, et al.*[2]

PROVISIONAL PROGRAM

(Correct as at September 2022, however the organising committee reserve the right to change the program without notice)

Please refer to the Symposium website for further information on our speakers

THURSDAY 17 NOVEMBER 2022

8:00am – 8:10am **SYMPOSIUM WELCOME**
Jayme Bennetts (Adelaide), Rob Baker (Adelaide) and Martin Kim (Melbourne)

8:10am – 10:00am **SESSION 1: CARDIAC CARE IN 2030**
Chairs: Rob Baker (Adelaide), Jayme Bennetts (Adelaide) and Martin Kim (Melbourne)

8:10am A Surgeon's Prediction
Bob Kiaii (Sacramento, USA)

8:30am An Anaesthetist's Prediction
David Scott (Melbourne)

8:50am A Perfusionist's Prediction
Kenneth Shann (Boston, USA)

9:10am An Echocardiographer's Prediction
Stan Shernan (Boston, USA)

9:30am A Cardiologist's Prediction
David Muller (Sydney)

9:50am Discussion

10:00am – 10:30am Morning Tea with Industry

10:30am – 12noon **SESSION 2: BUILDING FOR A STRONG FUTURE**
Chairs: Emily Granger (Sydney) and Warren Pavey (Perth)

10:30am Healthcare challenges in a Post-Pandemic world
Dr Brendan Murphy AC Secretary (Canberra)

10:55am Globalisation of Cardiac Care
Madhav Swaminathan (Durham, USA)

11:20am Getting better outcomes in Cardiac Surgery
Julie Mundy (Brisbane)

11:45am Discussion

12noon – 1:00pm Lunch with Industry

1:00pm – 3:00pm **SESSION 3: MAKING A DIFFERENCE**
Chairs: Andrew Cochrane (Melbourne) and Jo Irons (Sydney)

1:00pm Renal Protection
Madhav Swaminathan (Durham, USA)

1:20pm Myocardial Protection
Rob Baker (Adelaide)

1:40pm Neurocognitive
David Scott (Melbourne)

2:00pm Frailty
Jai Darvall (Melbourne)

2:20pm Inotropes and Vasopressors: Science, Evidence, Art
Fabio Guarracino (Pisa, Italy)

2:40pm Discussion

1:00pm – 3:00pm **CONCURRENT SESSION 3A: THORACIC SURGERY AND ANAESTHESIA 1**
Chairs: Jazmin Eckhaus (Melbourne) and Jaime O'Loughlin (Auckland)

1:00pm Lung Volume Reduction Surgery - When, Who, and Why?
Abbas Abbas (Philadelphia, USA)

1:25pm Update on surgery for mesothelioma
Julian Gooi (Melbourne)

1:40pm VATS- Dealing with Vascular Injuries, Mediastinal Node Dissection, Small Nodules
Stephen Barnett (Melbourne)

1:55pm Empyema - Not the Registrar's Operation!
Michael Harden (Sydney)

2:10pm Regional Anaesthesia and Opioid Sparing in Thoracic Surgery
Kris Skeggs (Brisbane)

2:25pm Lung Transplant Update - What's New on the Horizon
Arjun Iyer (Sydney)

2:40pm Discussion

3:00pm – 3:30pm Afternoon Tea with Industry

3:30pm – 5:00pm **CONCURRENT SESSION 4A: CARDIAC & THORACIC SURGERY ABSTRACTS**
Chairs: Julie Mundy (Brisbane) and Ben Dunne (Melbourne)

3:30pm – 5:00pm **CONCURRENT SESSION 4B: CARDIAC ANAESTHESIA ABSTRACTS**
Chair: Andrew Silvers (Melbourne)

3:30pm – 5:00pm **CONCURRENT SESSION 4C: PERFUSION ABSTRACTS**
Chairs: Steve Horton (Melbourne) and David Fitzgerald (Charleston, USA)

THURSDAY 17 NOVEMBER 2022 (CONT'D)

5:00pm – 6:00pm **ANZSCTS AGM**

5:00pm – 6:00pm **CTVP SIG AGM**

6:00pm – 9:00pm **WELCOME RECEPTION**

FRIDAY 18 NOVEMBER 2022

7:00am – 8:15am **MASTERCLASS (MEDTRONIC)**

8:30am – 10:00am **SESSION 5: EVIDENCE BASED MEDICINE**
Chairs: David Scott (Melbourne) and Tim Willcox (Auckland)

8:30am Fooled By Significance Testing
David Sidebotham (Auckland)

8:55am Innovations in Cardiac Trial Design
Paul Myles (Melbourne)

9:20am Basic Science: The Ground Floor
John Fraser (Brisbane)

9:45am Discussion

10:00am – 10:30am Morning Tea with Industry

10:30am – 12:30pm **SESSION 6: THE HEART OF THE MATTER**
Chairs: Christine Goh (Auckland) and Andrew Silvers (Melbourne)

10:30am CABG Evidence Update
William Shi (USA, Online)

10:50am Teaching Coronary Bypass in the Current Era
George Tolis (Boston, USA) - Online

11:10am Case Presentation – Part 1
Arjun Iyer (Sydney)

11:15am Management of the Sick Heart
Sara-Jane Allen (Auckland)

11:40am Post-cardiotomy ECMO: Lessons Learnt
Silvana Marasco (Melbourne)

12:05pm Case Presentation – Part 2
Arjun Iyer (Sydney)

12:10pm Discussion

10:30am – 12:30pm **CONCURRENT SESSION 6A: THORACIC SURGICAL AND CONGENITAL DATABASES AND MINI-ORAL ABSTRACTS**
Chairs: Phillip Antippa (Melbourne) and Jordan Ross (Brisbane)

10:30am ANZTHOR Database
Philip Antippa (Melbourne)

10.45am ANZCOR Registry
Nelson Alphonso (Brisbane)

11.00am Mini Orals

12.15pm Discussion

10:30am - 12:30pm **CONCURRENT SESSION 6B: PERFUSION EDUCATION AND TRAINING (STUDENT ONLY)**
Chair: Casey Edwards (Sydney)

10:30am MUSC update
David Fitzgerald (Charleston, USA)

11:00am Perfusion leadership
Kenneth Shann (Boston, USA)

11:30am STUDENT ONLY breakout session
Casey Edwards (Sydney)

12:30pm – 1:30pm Lunch with Industry

1:30pm – 3:00pm **SESSION 7: TRANSCATHETER INTERVENTIONS**
Chairs: Levi Bassin (Sydney) and Ann Ngui (Perth)

1:30pm The Heart Team: Evolving Roles in Transcatheter Interventions
Fabio Guarracino (Pisa, Italy)

1:55pm New Transcatheter Mitral & Tricuspid Interventions
David Muller (Sydney)

2:20pm TAVI: Summary of the Major Trials and Controversies
ISMICS - Kendra Grubb (Atlanta, USA)

2:40pm Australian TAVI Fellowship for Surgeons
Chris Cole (Brisbane)

2:50pm Discussion

1:30pm – 3:00pm **CONCURRENT SESSION 7A: PATRICK PRITZWALD-STEGMANN CARDIOTHORACIC YOUNG ACHIEVERS AWARD AND BAXTER TRAVELLING GRANTS**
Chairs: Jayme Bennetts (Adelaide) and Andrew Cochrane (Melbourne)

Presentation of recipients of Baxter Travelling Grants

1:30pm – 3:00pm **CONCURRENT SESSION 7B: PERFUSION ABSTRACTS**
Chairs: Kenneth Shann (Boston) and Carla Zazulak (Brisbane)

3:00pm – 3:30pm Afternoon Tea with Industry

FRIDAY 18 NOVEMBER 2022 (CONT'D)

3:30pm – 5:00pm **SESSION 8: MINIMALLY INVASIVE ISMICS SESSION**
Chairs: Trevor Fayers (Brisbane) and Silvana Marasco (Melbourne)

3:30pm Do Minimally Invasive Approaches Make a Difference?
ISMICS

3:50pm When Minimal Becomes Maximal: The Decision to Convert
Martin Misfeld (Leipzig, Germany)

4:10pm Innovative, New Minimally Invasive Procedures
IISMICS – Danny Ramzy (Houston, USA)

4:30pm How to Start a Minimally Invasive Program
ISMICS – Piotr Suwalski (Warsaw, Poland)

4:50pm Developing and maintaining the Robotic Cardiac Surgery Team
ISMICS – Art Martella (Camden, USA)

5.10pm Discussion

3:30pm – 5:00pm **CONCURRENT SESSION 8A: CARDIOTHORACIC MODERATED POSTERS**
Chairs: Livia Williams (Brisbane) and Gila Lepar (Sydney)

3:30pm – 5:00pm **CONCURRENT SESSION 8B: PERFUSION QUALITY IMPROVEMENT**
Chairs: Steve Horton (Melbourne) and Jonathan Cropper (Sydney)

3:30pm Reporting safety: the role of the Perfusion improvement reporting system
Tim Willcox (Auckland)

4:00pm Evidence based practice, does that ensure safer perfusion?
Kenneth Shann (Boston, USA)

4:30pm Perfusion guidelines, how important is registry?
Rob Baker (Adelaide)

7:00pm – 11:00pm **ANZSCTS EXECUTIVE DINNER**

7:00pm – 11:00pm **CTVP SIG DINNER**

7:00pm – 11:00pm **ANZCP DINNER**

SATURDAY 19 NOVEMBER 2022

7:00am – 8:15am **MASTERCLASS**

8:30am – 10:00am **SESSION 9: BLOOD MANAGEMENT**
Chairs: Alistair Royse (Melbourne) and Laurence Weinberg (Melbourne)

8:30am Current Status of Tranexamic Acid & Antifibrinolytics
Paul Myles (Melbourne)

8:50am Haemoglobin Targets
David Mazer (Toronto, Canada)

9:10am Innovations in Transfusion / What is on the Horizon
Michael Reade (Brisbane)

9:30am Blood Matters on Bypass
David Fitzgerald (Charleston, USA)

9:50am Discussion

10:00am – 10:30am Morning Tea with Industry

10:30am – 12:30pm **SESSION 10: TYPE A AORTIC DISSECTION**
Chairs: Paul Bannon (Sydney) and Kenneth Shann (Boston, USA)

10:30am Current ANZSCTS Database Results for Type A Dissection Presentation of a Complex Case – Part 1
Jordan Ross (Brisbane)

10:45am The Surgical Approach
Tristan Yan (Sydney)

11:05am The Anaesthetic Approach
Bruce Cartwright (Sydney)

11:25am The Perfusion Approach
Alison Horton (Melbourne)

11:45am Case Presentation – Part 2
Jordan Ross (Brisbane)

11:55am Discussion with Expert Panel
Jordan Ross, Tristan Yan, Bruce Cartwright, Alison Horton and Peter McCall/George Matalanis

10:30am – 12:30pm **CONCURRENT SESSION 10A: THORACIC SURGERY & ANAESTHESIA 2**
Chairs: Julian Gooi (Melbourne) and Jo Irons (Sydney)

10:30am Thoracic sarcoma resection - centralised units do it better
Chris Cole (Brisbane)

10:45am ECMO for Thoracic Surgery
Natalie Kruit (Sydney)

SATURDAY 19 NOVEMBER 2022 (CONT'D)

11:00am	Tracheal Resection Techniques - Not for the Beginner? **Siven Seevanayagam (Melbourne)**
11:15am	Chest Wall Reconstruction Post Trauma - Who, When, How **Silvana Marasco (Melbourne)**
11:30am	Intrathoracic chest flaps - Filling the Gaps? **Simon Knight (Melbourne)**
11:45am	Discussion
12:30pm – 1:30pm	Lunch with Industry
1:30pm – 3:00pm	**SESSION 11: MITRAL VALVE MANAGEMENT** **Chairs: Catherine Ashes (Sydney) and Silvana Marasco (Melbourne)**
1:30pm	Selecting the Access and Approach, Resect vs Respect **Martin Misfeld (Leipzig Germany)**
1:50pm	Echo Evaluation - Past, Present and Future **Stan Shernan (Boston, USA)**
2:10pm	Minimally Invasive mitral valve with Atrial Fibrillation surgery on the fibrillating heart. **ISMICS - Niv Ad (Maryland, USA)**
2:30pm	Mitral Case Presentation **Aubrey Almeida (Melbourne)**
2:40pm	Panel Discussion **Martin Misfeld, Stan Shernan, Niv Ad, Fabio Guarracino and Madhav Swaminathan**
1:30pm – 3:00pm	**CONCURRENT SESSION 11A: CARDIOTHORACIC SURGERY ABSTRACTS** **Chairs: Yi Chen (Melbourne) and Yishay Orr (Sydney)**
1:30pm – 3:00pm	**CONCURRENT SESSION 11B: HOT TOPICS IN PERFUSION** **Chairs: Britney Westbrook (Waikato) and Clarke Thuys (Melbourne)**
1:30pm	Lung Ventilation During CPB **Kate Drummond (Adelaide)**
2:00pm	Anticoagulation Management for Coagulopathies and Alternate Monitoring in CPB & ECMO **David Fitzgerald (Charleston, USA)**
2:30pm	Psychological and Human Factors: Impact on Safety and Performance in the Cardiac OR **Sara-Jane Allen (Auckland)**
3:00pm – 3:30pm	Afternoon Tea with Industry
3:30pm – 5:45pm	**SESSION 12: ROBOTIC SURGERY - PEARLS & PITFALLS** **Chairs: Elli Tutungi (Melbourne) and Gavin Wright (Melbourne)**
3:30pm	Robotic Thoracic Surgery - What can we do and How do I teach it? **Abbas Abbas (Philadelphia, USA)**
3:55pm	Robotic Lobectomy **Christopher Cao (Sydney)**
4:10pm	Robotic Mitral Surgery **ISMICS - Husam Balkhy (Chicago, USA)**
4:25pm	Robotic CABG **Levi Bassin (Sydney)**
4:40pm	Perfusion & Anaesthesia for Robotic Surgery **Jo Irons (Sydney)**
5:00pm	A Robotic Fellowship **Yi Chen (Melbourne)**
5:15pm	Discussion
3:30pm – 5:45pm	**CONCURRENT SESSION 12A: CARDIAC SURGICAL MINI-ORAL ABSTRACTS** **Chairs: Gareth Crouch (Adelaide) and Simon Moten (Melbourne)**
3:30pm – 5:45pm	**CONCURRENT SESSION 12B: PERFUSION FIRESIDE CHAT** **Chairs: Jane Ottens (Adelaide) and Carla Zazulak (Brisbane)**
3:30pm	Interesting Paediatric Cases *The last 40 years of Tetralogy of Fallot and VSD surgeries at RCH. How do we measure progress?* **Clarke Thuys (Melbourne)** *Experiences across Paediatric units* **Molly Oldeen (Chicago, USA)** *Case questions and discussion*
4:10pm	Paediatric ECMO *The Clinical Effects of Nitric Oxide Added to the Oxygenator of Children on ECMO* **Steve Horton (Melbourne)** *Case questions and discussion*
4:50pm	Perfusion Education - Towards the Masters Degree **Rob Baker (Adelaide), David Fitzgerald (Charleston, USA) and Casey Edwards (Sydney)**
5:45pm - 6:00pm	**SYMPOSIUM CONCLUDES**
5:45pm	Closing Ceremony **Jayme Bennetts (Adelaide), Warren Pavey (Perth) and Carla Zazulak (Brisbane)**
7:00pm - 11:00pm	**SYMPOSIUM DINNER**

Focused Transthoracic Echocardiography and Lung Ultrasound Simulator Course

Places are limited to 20 delegates.
Please see page 27 for fee information.

9:30am - 12:30pm **SUPERVISED HANDS ON WORKSHOP FOLLOWED BY SELF-DIRECTED SIMULATOR PRACTICE**

Course Details:

- The focused heart and lung ultrasound course uses a novel teaching system to maximise hands-on learning to develop your ultrasound acquisition and interpretation skills. The course is aimed at cardiothoracic anaesthetists, surgeons, cardiologists and sonographers. No experience or prior training is required.
- Learn how to perform transthoracic echocardiography and lung ultrasound for rapid non-invasive and accurate bedside assessment of left and right ventricular function, volume, vasodilation, valvular regurgitation and stenosis, pericardial effusion, pleural effusion, pulmonary oedema, consolidation, collapse and pneumothorax.
- The course is provided by the University of Melbourne Ultrasound Education Group and includes high quality pre-course reading material (15 hours) accessible on a web browser, which includes 16 online pathology cases for interpretation, a 3-hour supervised hands-on workshop using high-fidelity simulators.
- The simulators will be accessible for the rest of the Symposium to complete the 12 self-directed simulated pathology cases (6 hours) guided by the learning portal; hence the workshop is held on the day before the Symposium commences. End-of course online 20 MCQ exam.

(Only delegates registered for this course, the Nurse and Allied Health Day and ANZCTS Trainees Day will be able to access the simulators for the remainder of the Symposium)

THURSDAY 17 NOVEMBER 2022

Perfusion Simulation Session supported by Medtronic

10:30am - 12:30pm

This session will be available for registered individuals and teams to attend, with each session tailored to meet the needs of the attendees. Please refer to the Symposium website for further details or contact arthur.preovolos@medtronic.com for information. Places are limited.

FRIDAY 18 NOVEMBER 2022

3D Toe Course

Places are limited to 12 delegates.
Please see page 27 for fee information.

3:30pm - 6:00pm **SUPERVISED HANDS ON WORKSHOP**

Course Details:

- The 3D echocardiography short course uses a novel teaching system to maximise hands-on learning to develop your 3D TOE acquisition and display skills. The course is aimed at cardiothoracic anaesthetists, cardiologists and sonographers. No experience or prior training is required.
- Learning outcomes include 2D simultaneous multiplane and electronic steering, real-time narrow sector 3D and colour navigation of the whole heart, 3D and colour zoom and cropping, single to 6-beat full volume 3D and colour and multiplanar reconstruction and measurements.
- The course consists of interactive eLearning and a workshop and post workshop QLAB practice. The pre-workshop learning is approximately 25 hours and is accessed on a web-browser. It covers the basic theory and 10 real pathology cases for interpretation practice. The 3-hour workshop is in small groups (up to 5 per instructor) and consists of 90 minutes hands-on image acquisition using a Philips Epiq system and 90 minutes of hands-on manipulation of 3D data sets using Philips QLAB with a laptop.
- After the workshop, private QLAB practice is available to complete 10 case studies (measurements) guided by the learning portal. End-of course online 20 MCQ exam.

(Only delegates registered for this course will be able to access the QLAB for the remainder of the Symposium)

Perfusion Simulation Session supported by Medtronic

10:30am - 12:30pm

This session will be available for registered individuals and teams to attend, with each session tailored to meet the needs of the attendees. Please refer to the Symposium website for further details or contact arthur.preovolos@medtronic.com for information. Places are limited.

CALL FOR ABSTRACTS

Abstract Submission is Now Open

Abstract submission is entirely by electronic means through the online submission form. This is accessed from the 3SCTS 2022 website: www.3SCTS.com and then clicking on Abstract Submission.

SUBMISSION OF ABSTRACTS FOR RESEARCH PAPERS AND POSTERS

Abstract submission deadline:
Friday 29 July 2022

Abstract notification to authors:
19 August 2022

Closure of early registration:
Sunday 16 October 2022

PAPER TYPES

The 3SCTS 2022 is now accepting abstracts. You must indicate the paper type when submitting your abstract online from the following categories:

- Research paper
- Poster

The Symposium requests authors to submit abstracts in the following disciplines:

- Cardiac Surgery
- Thoracic Surgery
- Congenital/Transplant
- Nursing/Allied Health
- Perfusion
- Anaesthesia – Cardiac
- Anaesthesia – Thoracic/Vascular
- Anaesthesia - Echocardiography
- Research – Clinical
- Research - Basic Sciences

If you wish to submit an abstract for consideration by the Scientific Committee, you must also register to attend the Symposium.

SPONSOR ABSTRACT SUBMISSION

Sponsors will be allowed to submit an abstract. Abstracts will be reviewed on the same basis as all delegate papers submitted, by the Scientific Review Committee. All abstracts must meet the criteria as specified below, as well as contain scientific information that leads to improved patient outcomes and must not be product focused.

ABSTRACT SUBMISSION GUIDELINES

Subject to your approval on the abstract submission, all successful abstracts will be published in the relevant Symposium publication.

1. Authors of research papers who wish to have their abstracts considered for inclusion in the scientific programs at the 3SCTS 2022 must submit their abstract electronically via the website having regard to the closing date of Friday 29 July 2022. Abstracts submitted after the closing date will not be considered.
2. The title should be brief and explicit.
3. Research papers should follow the format – Purpose, Methodology, Results, Conclusion.
4. Abstracts should be in past tense.
5. Include author(s) and indicate the presenting author. Please include full given first name and family name, institution/affiliation and state/city and country.
6. Excluding title, authors and institute, the abstract must not exceed 1,750 characters and spaces (approximately 250 words). In Microsoft word, this count can be determined from the 'Review menu'. Any references must be included in this allowance. If you exceed this limit, the excess text will NOT appear in the abstract publication.
7. Abbreviations should be used only in common terms. For uncommon terms, the abbreviation should be given in brackets after the first full use of the word.
8. Presentations (slide and video) will only have electronic PowerPoint support. Audio visual instructions will be issued to all successful authors.
9. A 50-word bio is required from each author to facilitate the Chair's introduction.
10. The timing (presentation and discussion) of all papers is at the discretion of the Organising Committee.
11. Notification of the timing of presentations will appear in correspondence sent to all successful authors.
12. Tables, diagrams, graphs, etc. CANNOT be accepted in the abstract submission. This is due to the limitations of the computer software program.

13. Authors must be registrants at the Symposium for their abstract to appear in the publication or on the website.
14. Accepted abstracts will be approved for either presentation or electronic poster display; please indicate if you do not wish to present your abstract in either of these forums.

Note: Subject to your approval on the abstract submission page, all abstracts accepted and received by the specified closing date will be published in the relevant Symposium publication.

The submitting author of an abstract will ALWAYS receive email confirmation of receipt of the abstract into the submission site. If you do not receive a confirmation email within 24 hours, it may mean the abstract has not been received. In this circumstance, please email: 3scts@surgeons.org to determine why a confirmation email has not been received.

If there are any difficulties regarding this process, please email 3scts@surgeons.org for assistance.

PRESENTATIONS

Successful authors will be required to provide an electronic PowerPoint presentation (the default screen format is 16:9 widescreen) either in advance via an online upload facility which will be available in the weeks prior to the Symposium or they may be submitted on-site at the speakers' support centre. It is essential that all speakers check-in at the speakers' support centre (even if you have uploaded a presentation in advance) not less than two sessions prior to your presentation, or the previous day if presenting in the first session of the day. Only PowerPoint presentations are accepted by default; any variations to this must be advised to 3scts@surgeons.org prior to the Symposium.

PATRICK PRITZWALD-STEGMANN CARDIOTHORACIC YOUNG ACHIEVERS AWARD

Application Deadline: Friday 29 July 2022

This award is open to ANZSCTS Trainees only. To be considered for the award, ANZSCTS Trainees must submit an abstract for verbal presentation at the 3SCTS 2022 and request to be considered for the award at the time of abstract submission.

The applicant must be the first author of the abstract. Applicants selected by the Organising Committee for verbal presentation will be scheduled to present their paper in the Young Achievers Award session at the 3SCTS 2022. ANZSCTS Trainees presenting in this session will be considered for the award. The recipient will be announced at the conclusion of the Symposium.

Only one such award is granted.

AUSTRALIAN AND NEW ZEALAND COLLEGE OF PERFUSIONISTS AWARDS

Terumo Award

The Terumo Award is in recognition of the best scientific or clinical paper presented by a full ANZCP member at the 3SCTS 2022.

LivaNova Syd Yarrow Award

Is awarded to the student member of the College who has made the best presentation at the 3SCTS 2022.

Encouragement Award, sponsored by Medtronic

Is made for an especially commendable presentation at the 3SCTS 2022, to encourage the scientific development of Australasian Perfusionists.

ANZCP Meritorious Award

The ANZCP sponsored Meritorious Award are provided to acknowledge and support the development of scientific and clinical endeavour by members of the perfusion community.

Flynn, a Crystalbrook Collection Hotel

★★★★★

16-minute walk to the Convention Centre

85 Esplanade, Cairns QLD 4870
T: 1300 00 20 50
E: reservations@crystalbrookcollection.com
www.crystalbrookcollection.com/flynn

Flynn is the younger sibling to Riley and Bailey in Cairns, Little Albion in Sydney and Byron at Byron in Byron Bay, and like many younger siblings, Flynn likes being the centre of attention and doesn't mind showing off from time to time.

Fun and energetic, be prepared to be entertained at Flynn, from exquisite glass swimming pools and zen-filled wellness and meditation spaces, to dynamic food and drink experiences where there's always a DJ ready to play and a martini ready to be shaken.

Flynn likes to entertain our guests... not just accommodate them. Staying with Flynn is a stimulating experience. Fast and free Wi-Fi is available in all public spaces throughout the hotel.

Each room and suite also has an Apple iPad control centre, Staycast by Google for video streaming, access to hundreds of complimentary movies and Nespresso machines (naturally with recyclable pods).

Located on the iconic Cairns Esplanade boardwalk, Flynn features 311 stylish rooms and suites, three levels of restaurants and bars, Eléme Day Spa, a 24-hour gym and meeting spaces for up to 120 people.

Pullman Cairns International

★★★★★

9-minute walk to the Convention Centre

17 Abbott Street, Cairns QLD 4870
T: +61 7 4031 1300
F: +61 7 4050 2120
www.pullmancairnsinternational.com.au

The Pullman Cairns International offers you a perfect combination of comfort and convenience located in the heart of the city. With its close proximity to the fleet terminal, our hotel is of the best location while exploring the world famous Great Barrier Reef and other nearby attractions. Pullman Cairns International is just 8 kilometers from the domestic and international airports and closest to the Cairns Convention Centre.

This unique 5-star hotel in Cairns city reflects the ambience and spirit of Far North Queensland and exudes the architectural style and grandeur of the City Centre's rich colonial past. Enjoy a relaxing treatment and harmonize your soul at Vie Spa and dine on the best local seafood in Coco's Kitchen + Bar.

Welcoming, safeguarding, and taking care of others is at the very heart of what we do and who we are. The health, safety and well-being of our staff, guests and community remains our top priority.

As we begin to welcome you back, we have elevated our health and safety norms even further, with the newly launched unique cleanliness prevention label: ALLSAFE by Accor Live Limitless.

The #ALLSAFE cleanliness & prevention standards has been developed with and vetted by Bureau Veritas, a world leader in testing, inspections and certification, and these standards have been launched within our hotel.

Check in time: 2:00pm

Participants in the ANZCP Program will have their attendance accredited towards their ANZCP CPD Points if noted when registering.

ANZCA

Participants in the ANZCA and FPM CPD Program will automatically have their attendance accredited to their CPD portfolio within 14 days of the conclusion of the Symposium.

RACS

RACS Fellows will have their CPD points automatically allocated if a RACS ID number was provided at time of registration.

PASSPORT AND VISA REQUIREMENTS

All visitors to Australia must hold a valid passport and visa. Visas must be applied for by email before departure. For further information on visa applications, visit www.border.gov.au.

PHOTOGRAPHY

Please be advised that photographs may be taken during the Symposium and reproduced by the Symposium Organiser or Society. If you do not wish to be included in a photograph, please advise the photographer.

DIETARY REQUIREMENTS

Please note that the venue is responsible for all catering at the Symposium and the Symposium Organiser does not inspect or control food preparation areas or attempt to monitor ingredients used. You must contact the venue directly for all special dietary requirements during the event, irrespective of whether details have been provided to the Symposium Organiser.

If the Symposium Organiser requests information about your dietary requirements for a specific event they will endeavour to forward the information provided to the venue (time permitting). Even if information is requested or provided, the Symposium Organiser takes no responsibility for ensuring the venue acknowledges your dietary requirements or that these requirements can be met. In all cases you must verify for yourself that your dietary requirements have been met and the Symposium Organiser refutes any and all liability for any failure to adequately provide your special dietary requirements or any consequential damage resulting from such failure.

OFFICIAL FUNCTIONS

Welcome Reception

Thursday 17 November 2022
6:00pm - 9:00pm
Cairns Convention Centre

This function is complimentary for registered delegates and additional tickets are $95.00 per person. Tickets are essential. Register for this function on the 3SCTS 2022 online registration form.

Symposium Dinner

Saturday 19 November 2022
7:00pm – 11:00pm
Eastern Events Lawn, Cairns Esplanade

Tickets are essential and are not included in the registration. This function is open to registered delegates, sponsors and exhibitors. Register for this function on the 3SCTS 2022 online registration form.

REGISTRATION INFORMATION

HOW TO REGISTER

All registrations for the 3SCTS 2022 will be online, please register via: www.3scts.com

IMPORTANT REGISTRATION DATES

Early Registration

Ends Sunday 16 October 2022

Standard Registration

Starts Monday 17 October 2022

PAYMENT METHODS

Visa, Mastercard, AMEX and PayPal are accepted when registering online.

REGISTRATION CONFIRMATION

An automatic registration confirmation will be generated upon the completion of all successful online registrations.

Please check all details and advise the Symposium Organisers of any changes. All changes must be made in writing to: 3scts@surgeons.org

CANCELLATION POLICY

Cancellations must be notified in writing to: 3scts@surgeons.org

A cancellation fee of 20% of the appropriate registration fee will be charged. Please note there will be no refunds after Sunday 16 October 2022.

In the unfortunate event that the Symposium is cancelled due to COVID-19 or delegates are unable to travel due to imposed government border restrictions, delegates will be provided with a full refund.

SUMMARY OF REGISTRATION CATEGORIES

Full Symposium Registration includes:

- Access to all scientific sessions
- Symposium materials
- Access to the exhibition
- Morning and afternoon refreshments and lunch in accordance with the program
- Welcome Reception (Thursday 17 November 2022)
- Breakfast sessions or masterclasses

Day Registration includes:

- Attendance at scientific sessions (on the nominated day of attendance)
- Symposium materials
- Morning and afternoon refreshments and lunch in accordance with the program on nominated day of attendance

International Virtual Registration includes:

- Virtual access to all live scientific sessions

Nurse and Allied Health Education Day on Wednesday 16 November 2022 includes:

- Attendance at the Nurse and Allied Health Education Day sessions
- Morning and afternoon refreshments and lunch
- Nurse and Allied Health Practical Session

ANZSCTS Trainees Day Registration on Wednesday 16 November 2022 includes:

- Attendance at the ANZSCTS Trainees Day
- Morning and afternoon refreshments and lunch

Focused Transthoracic Echocardiography and Lung Ultrasound Simulator Course on Wednesday 16 November 2022 includes:

- Attendance at Focused Transthoracic Echocardiography and Lung Ultrasound Simulator Course
- Morning refreshments

Perfusion Simulation Sessions

Perfusion sessions will be available throughout the Symposium. These will be available for individuals and teams. Please refer to the Symposium website (www.3scts.com) for further details.

Please note:

The 3SCTS 2022 Welcome Reception is not included in the cost of a day registration. Tickets cost $95.00 and should be purchased at the time of registration.

The Symposium Dinner is an optional function and not included in the cost of registration. Tickets cost $80.00 and should be purchased at the time of registration.

The ANZCP Dinner is complimentary for all ANZCP members. Additional tickets can be purchased for $150.00. Please indicate your attendance on the registration form.

SYMPOSIUM REGISTRATION CATEGORIES AND FEES

All fees are in Australian dollars (AUD) and include GST.

DELEGATE REGISTRATION

Certified Clinical Perfusionists/ Specialist Anaesthetists/ Cardiothoracic Surgeons/ Physicians Registration	
Member Early Registration	$1,200.00
Member Standard Registration	$1,400.00
Non-Member Early Registration	$1,500.00
Non-Member Standard Registration	$1,700.00

Registrar/ Trainee/ Retired (Senior) Registration (Perfusionists, Anaesthetists, Cardiothoracic Surgeons)	
Member Registrar/ Trainee/Retired (Senior) Early Registration	$800.00
Member Registrar/ Trainee/Retired (Senior) Standard Registration	$1,000.00
Non-Member Registrar/ Trainee/Retired (Senior) Early Registration	$1,100.00
