

“What could you achieve with an Avant Quality Improvement Grant?”

You want the best outcomes for your patients, and so do we. The Avant Quality Improvement Grants Program could make all the difference.

With Avant's support, you can lead sustainable solutions to improve quality and safety in your practice.

Up to \$100,000 in grants on offer

- ✓ 6 x \$10,000 grants for individuals
- ✓ 2 x \$20,000 grants for practices

All grant recipients will receive a one year licence to BMJ Quality to undertake their quality improvement project and publication in the Avant/BMJ Quality Improvements Reports Journal. One grant recipient will be selected to present their project at the BMJ Asia-Pacific Quality Forum in September 2018.
