AORTA ILLAWARRA SYMPOSIUM

Friday 06 - Sunday 08 December 2024
Novotel Wollongong Northbeach, NSW

Wollongong Private Hospital and The Cardiac Centre NSW presents **Aorta Illawarra**, a collaborative weekend of education and discussion focused on open and endovascular aortic repair. The interactive program unites cardiac and vascular divisions of industry to collaborate on best practice surgical care.

Featuring a line-up of influential Australian and international speakers, including scientific lead for structural heart disease, **Dr Toby Rogers** (US) and Cardiothoracic Surgeons, **Dr Vinnie Bapat** (US) and **Dr Conal Austin** (UK).

Aorta-Illawarra is designed for cardiovascular professionals including consultant cardiologists, cardiothoracic surgeons, vascular surgeons, physicians, anaesthetists, fellows, and advanced trainees.

Key Speakers

Dr Toby Rogers
Interventional Cardiologist
(USA)

Dr Vinnie Bapat
Cardiothoracic Surgeon
(USA)

Dr Conal Austin
Cardiothoracic Surgeon
(UK)
